

South Park Homeowners Association Garage Door Replacement Guidelines

1. An Architectural Request is required for a garage door replacement.
2. Two styles of replacement are allowed.
 - a. 4 or 8 panel roll-up doors. Look around the complex and you will see many that have been replaced.
3. Windows are not an approved style.
4. Flat roll-up doors with trim strips and one piece swing up doors are no longer allowed as replacement styles.
5. After installation the Association will paint the door. Please notify the Property Manger when ready for painting.
6. The HOA Board will review requests at the monthly meeting. Meetings are scheduled for the third Tuesday of the month. Please submit requests one week prior to the monthly meetings. Instructions are on the Architectural Request.
