

SOUTH PARK VILLAGE VOICE

JANUARY/FEBRUARY 2001

ARCHITECTURAL GUIDELINES

Please remember that no modifications may be undertaken to the exterior of any building without going through approval by the Committee and the Board of Directors.

This includes, but is not limited to window replacements, satellite dishes, light fixtures and garage doors.

Also remember that all window coverings need to be of a neutral color (no foil, film or bedsheets).

ANNUAL MEETING ON THE HORIYON

The annual meeting will be held at Beacher School at 7 p.m. on March 13, 2001. Anyone interested in running for a Board position should send in a candidate statement to Dave Tydeman at CMS.

NO WORD FROM AT&T

AT&T seems to be grappling with internal issues and has not responded to inquiries about the wiring of South Park. Many of you did not have an opportunity to attend the cable Meeting so we've enclosed the Minutes from the meeting which may answer some questions you have.

ORDER OF THE MONTH

Residents with driveways on South Park Lane should advise guests to park in their driveway to free up visitor spaces.

Thought

"Is any moment of decision the best thing you can do is the right thing... The next best thing you can do is the wrong thing and the worst thing you can do is nothing."
